PROFILE

Passionate Frontend Developer with a strong foundation in building modern, responsive web applications using React. Known for turning complex UI designs into clean, accessible, and efficient code. Adept at bridging the gap between design and development to create seamless user experiences. Familiar with backend workflows using Node.js, and committed to writing scalable, maintainable code. Driven by curiosity, creativity, and a constant desire to learn and improve.

WORK EXPERIENCE

Keta Promo

Sep 2024-Present

Full Stack Developer

- Built and maintained web applications using React and Node.js, delivering responsive, scalable, and secure solutions. Developed reusable UI components, implemented RESTful APIs, and integrated JWT-based authentication. Collaborated with cross-functional teams to turn business needs into efficient, user-focused features.

Edumind Academy

Sep 2024-Present

Instructor

- Responsible for delivering frontend development courses covering HTML, CSS, JavaScript, and React. Develop practical lessons and projects to help students gain hands-on experience with real-world frontend technologies. Mentor students to enhance their coding skills and prepare them for successful careers in web development.

Inspire 11

Juni 2024 - Okt 2024

Frontend Developer, Intern

- Contributed to building responsive user interfaces using React and Tailwind CSS. Worked closely with senior developers to develop reusable UI components and improve application functionality. Participated in code reviews, debugging, and followed agile workflows to deliver quality features.

National Bank of North Macedonia

Aug 2022-Sept 2022

- Worked on internal desktop applications using C# and .NET Framework, supporting backend functionalities for banking operations. Assisted in developing and maintaining business logic, data validation, and user interface components. Gained experience with SQL Server, debugging tools, and enterprise software workflows.

EDUCATION

South East European University

Computer Sciences

Okt 2020 - Juni 2024
